SUBJECT: AUNER

1. BB 1 informed that he had received reliable information that Kurt AUNER (and after him MAILAT, DUMITRESCU and other SIMA followers) are spreading the rumor:

This party is closely (family) related to a USA Chief Rabbi, who in turn has secured relations with the US and with the Soviet Government for this party.

Said rumor is said to be known in Rumanian (SIMA) circles in Austria and probably also in other parts of free Europe.

2. From this rumor it can be taken that

- a- anti-Semitic propaganda is still 'en vogue' with SIMA circles
- b- that anti-Semitism is still used by this circle (including AUNER) to try to destroy a reputation
- c- that the old nazi-version 'Semitism is equal to Soviet affiliations' with certain circles is still successfully used.
